

### BOLSHEVIK KILLS Y. M. C. A. WORKER

#### American Aviator Fighting With Poles Missing After Starting Flight.

WARSAW, July 16. (By the Associated Press).—One American has been killed and another is missing in the battle between the Polish and Russian Bolsheviks in the region of Minsk, according to reports from the front. Alexander Uciwicz, of Chicago, an American Y. M. C. A. worker, with the Polish army, was shot and killed by a Bolshevik aviator in a Polish uniform, while Capt. Merion Cooper, of Jacksonville, Fla., has been missing five days since starting an airplane reconnaissance.

Uciwicz came to France as a Y. M. C. A. worker and later was sent to Poland with Gen. Haller's forces. He was leading American supplies to be taken to the rear when he was killed. Capt. Cooper, member of the Kosciuszko squadron, was recently mentioned as the successor of Maj. Cedric Fairbrother as commander of that famous body of aviators. Members of the squadron believe Capt. Cooper is safe as his flight over the Southern Polish front have been above open country, for the most part, and he may have been forced to land within the Polish lines.

Miss Alpha Patterson, of Cincinnati, is with women soldiers in the region of Vire, having charge of the distribution of Y. M. C. A. supplies. She came to Poland last fall, with her brother, driving an automobile across Germany from France.

The Civitan club is composed of young men who should be able to help in considerable assistance in the campaign.

Residents in every block where our people live could co-operate in methods of fire prevention. In case of fire, the alarm should be made as quickly as possible. While everything is quiet, get the telephone numbers fixed clearly in your mind.

Let's make Saturday the "general cleaning and fire prevention day" among the negroes of Memphis. Remove all paper and other inflammable material from the closets and attics. Pressing shops should be unusually careful with gasoline.

## Mr. Bowers Stores

INCORPORATED  
—IN ALL PARTS OF THE CITY—

# "A Neighborhood Need"

The people of Memphis must be served daily in many ways, and the most IMPORTANT NEED OF ALL CLASSES IS FOOD—the SOURCE OF SUPPLY and the COST TO THE CONSUMER being of far-reaching consequence, "day in and day out" throughout the year.

As "public servants" the Bowers Stores DIFFER FROM ALL OTHER sources of supply in that they serve not only THE GENERAL PUBLIC, embracing the rich and poor and the old and young, offering EVERY FACILITY TO ALL CLASSES to obtain their needs at LOWEST CASH PRICES, but they also SERVE A PURPOSE not yet fully appreciated by all.

In all parts of the city the forty-four Bowers Stores have ESTABLISHED LOCATIONS meeting a "neighborhood need," and while all offer the same lines at the same prices, representing THE BEST SELECTION and values resulting from years of careful study and experience, EACH STORE POSSESSES AN INDIVIDUALITY peculiar to the SECTION IT SERVES.

Each store is intended to FURNISH BOTH foods and merchandise. INCLUDING MANY ITEMS not always advertised or displayed, but in constant demand at "Bowers' prices," which, as everyone knows, means much.

Every item of expense in the Bowers Stores is cut down to a MINIMUM OF OPERATING COST and every article is sold at prices based on an AVERAGE UNIFORM PROFIT so the customer may derive EVERY BENEFIT without sacrifice of time, labor and convenience.

Every article sold is BACKED UP by a sweeping GUARANTEE OF MONEY CHEERFULLY REFUNDED if not perfectly pleased, AND BOTH DELIVERY AND COUNTER SERVICE is offered at THE SAME PRICES with the slight difference that less than \$5.00 orders are delivered at ACTUAL COST, usually 5 to 10 cents extra. (\$5.00 orders and over delivered free.)

As this system has proven WONDERFULLY SUCCESSFUL for nearly nineteen years in the face of ALL SORTS OF COMPETITION, including more than half a dozen so-called "chains," the Bowers Stores are hoping that as time passes EVERY CITIZEN OF MEMPHIS WILL COME TO APPRECIATE THEM MORE AND BECOME A CUSTOMER.
